NEWSLETTER

Week 2 Term 3 2010
26 - 30 July 2010

Welcome

A warm welcome is extended to James Tomlinson who started in Room 13 at Brightwater School this week. We hope that you enjoy your school days with us.

EdAlive Maths Made Easy Software

Leaflets on this software were sent home last week. Orders close Friday 6 August.

Extending High Achieving Students

This term our higher achieving students have the opportunity to work on developing aspects of the curriculum to enhance their potential. Adrienne Cairns will be working on Thursdays and Larissa Inch on Fridays during the term. Topics covered will include maths problem solving, visual art, creative thinking and problem solving. Glenda Earle will run an extension 'Knowledge Net' group and John Phillips continues with specialist music each Friday. Campbell Head will continue his work Monday to Wednesday, with physical education during the afternoons and working in the senior syndicate in the mornings. Karen Edwards is overseeing the specialist programmes across the school. All classrooms also cater for this group on a daily basis in the classroom programme.

Lunchtime inter class sports

Our student council have organised inter-class games to allow all students the opportunity to participate in a lunchtime game. The competition will run over 4 weeks and include basketball, netball, soccer and ripper.

The games will be played on Mondays, Wednesdays and Fridays and the class with the most points at the end will be crowned inter-class champion.

There are 4 sections to the competition: Senior (Rooms 9, 10 & 11,) Middle (Rooms 5, 6 & 7), Junior (Rooms 1, 2, 3 & 4) and New Entrants (Rooms 12 & 13).

Junior and new entrant classes will play soccer and ripper only.
